PALMER HOUSE WELCOMES HOLLYWOOD GUESTS --- EACH OF A DIFFERENT FEATHER

(Chicago, IL) - John Silvia, Resident Manager of the Palmer House (left) welcomes screen actor Philip Baker Hall, along with Hall's co-star, Joe Duck in the soon to be released movie "Duck." Baker and Joe Duck chose Chicago's Palmer House because of its animal friendly policy, and in this case its *duck* friendly policy. The two screen actors were in Chicago on a promotional tour for the up coming film. When Silvia asked Joe Duck how he liked the venerable Chicago hotel thus far, the feathered guest responded, "everything's just ducky!"
