## **POTTER PALMER IV WELCOMES THE NEXT GENERATION OF POTTERS TO THE PALMER HOUSE**

(Chicago, IL) - Potter Palmer IV (second from right) guest of honor is the first to arrive at the opening night party of Potter's in the Palmer House, the new bar and lounge in the hotel named after his great great grandfather, founder of the Palmer House. Palmer is joined by his fiancée, Erica Meyer. The couple was welcomed by Palmer House Hotel Manager Dean Lane (left) and John Silvia, the hotel's Resident Manager. Guests are able to experience a mix of new and old by being taken back to the days of the 20<sup>th</sup> Century icons who grace the walls of the contemporary bar. The intimate lounge celebrates classic entertainment with swanky leather couches and retro lighting. Potter's is part of the Palmer House's historic \$170 million restoration and renovation project currently in its final stages.
